Good morning Jim,

I wanted to tell you what a fantastic “witness” Sonja is. We all know what a great job she does as an analysis, but when she takes the stand she really connects with the jury. I have had her testify several times and we have won every case. You are very lucky to have her working for you. She is always prepared and very professional. We at the Berkshire DA’s office think she is terrific and look forward to working with her.

Richard
